

Will my child's team be in the same cabin?

We do our best to keep teams together, depending on registration numbers, to enhance the team-building experience for our campers.

What are the cabins like?

Camp Big Pines has 11 camper cabins and 1 staff cabin, each equipped with bunk beds, mattresses, heaters, electricity, and outdoor lighting. Each cabin accommodates 12-14 campers.

Can my child bring a cell phone?

We encourage a "screen-free" environment to help campers build lasting relationships. However, if you feel more comfortable sending a phone, please note that damage is likely in this outdoor setting.

What clothing should I pack?

Pack durable clothing that can get dirty or damaged, along with extra socks and undergarments. Evenings can be cold, so include sweaters, sweats, and warm clothing.

What's the weather like at camp?

Daytime temperatures are in the 70s, but drop quickly to the low 50s after sunset. Please pack accordingly.

What if my child needs medication?

Inform the camp staff as soon as possible with instructions. We'll ensure your child receives their medication on time.

Do counselors sleep in the cabins with campers?

In accordance with Boy Scouts of America guidelines, no adult counselors or staff members sleep in the cabins. However, there is 24-hour supervision outside the cabins for safety.

How can I keep track of what's happening at camp?
