

ARARAT KIDS SUMMER CAMP TERMS & CONDITIONS 2025

REGISTRATION

To register your child or children for the Ararat Kids Summer Camp, you will need to complete an online registration form. The online registration application has an option to complete one application for siblings from the same family. Please select second child registration and third child registration when completing the application for siblings attending camp. Forms are processed in the order they are received, along with the appropriate payment. Please ensure that all required fields are completed before submitting the form. Incomplete forms may cause a delay in the registration process.

All payments must be submitted through the online payment portal. Please note that weekly capacity is limited to 60 children. Once this limit is reached, applications will be closed, and a waitlist will be initiated for the respective week.

To secure your child's place in the camp, full payment for the week is required by the Friday of the previous week. If you fail to meet this deadline, a late fee of \$30 will be applied (if space permits). Additionally, if registration occurs for the first time on Monday morning, a \$30 late fee will be applied with no exceptions.

Please note that Homenetmen Glendale Ararat reserves the right to refuse service or entry to any child whose behavior may disrupt the curriculum of the Ararat Kids Summer Camp.
